

SPONSORSHIP DETAILS

We are pleased to announce the 12th year anniversary of our annual SpraySafe event, where we host over 400 participants whose primary goals are safety and best practices within our agricultural industry. This event has been scheduled to take place **Friday, January 26th, 2018** at the **Kern County Fair Grounds** from 9:00 a.m. to 1:00 p.m. (lunch is provided). This year's trade show will take place before the event from 7:00 a.m. to 9:00 a.m.

The SpraySafe planning committee cannot make this event happen without the financial support of Kern County's agricultural community. We rely on the generosity of farm owners, pesticide applicators and advisors, supplier representatives, and anyone concerned about the industry's future.

If you would like to become part of this important event, contributions of any amount are welcome, and all sponsors will be recognized at the event. Questions? Call KCFB office (661) 397-9635.
