# FARM DAY IN THE CITY

MARCH 19 & 20, 2025 | 8:30 AM - 1:00 PM | KERN COUNTY FAIR

## WHAT IS FARM DAY?

Farm Day in the City is an opportunity to bring one of Kern County's leading industries to the attention of elementary school children through hands-on and up-close experiences. Students visit exhibits and hear presentations on various topics including: farm machinery, crops grown in the valley, animal agriculture, and other exciting demonstrations given by knowledgeable members of the local agricultural community.

*In order to experience all of Farm Day, we suggest that you spend at least 2.5 hours at the event, which does not include time to eat lunch.* All classes are invited to bring sack lunches to eat at the fairgrounds. We understand if you must leave early to eat at the school, but this is an option many teachers find helpful for making the most of your time at the fairgrounds.

## HOW DOES MY CLASS ATTEND?

Check with your school and get together with other teachers to decide which of the two days fits best into your schedule. If you find later in the year that you must change days, just let us know. Of course, you should also check with your bus/transportation department to see when buses are available. Fill in the information below and email or mail it to reserve your day and time. We will send out more detailed information to you early March about what to expect and where to go once you're at the fairgrounds.

## IF YOU HAVE ANY QUESTIONS, PLEASE CALL THE FARM BUREAU AT 661-397-9635

Please complete the information requested below and remit, as soon as possible, but no later than February 28, 2025 via email to [kcfb@kerncfb.com](mailto:kcfb@kerncfb.com) or please mail to the Kern County Farm Bureau office at 1800 30th St, Ste 390, Bakersfield, CA 93301. The Farm Bureau will consider this reservation as a firm commitment of your attendance. If you do not receive confirmation that your form was received, please contact us.
